

Block 5

Selfish Me

James 4:1-3

When were selfish we just care about ourselves and don't worry about who we hurt. We must get our own way. We get mad and act spoiled . This hurts our prayer life.

Mark 8:36-37

We can gain the whole world and lose our soul. We get so busy we chase money that we lose everything.

JOY - Jesus Others You

You must choose JOY

Being selfish hurts everyone.

There are so many things that hinder our prayer life. God wants to remove these blocks. It is up to us to lay them down at the feet of Jesus. Don't leave here carting old hurts and wounds. Allow God to set you free from the old man.
